## EDUCATION

October 2024 - Present

### School 42, Le Havre (76)

Elite training in computer science, programming, project management, and problem solving.

2021-2024

### BAC STI2D

Honors (Mention Bien) & Aeronautical Initiation Certificate (Very Good)  
Lycée Arcisse de Caumont, Bayeux (14)

## PROFILE

Student at School 42 Le Havre, currently looking for a 1-2 year work-study program (2 weeks in company / 1 week at school) starting in August or September 2026.

I am autonomous, adaptable, and able to work effectively in a team. Passionate about building functional software, I am particularly interested in advances in artificial intelligence and how they work.

## EXPERIENCE

April 2025 - July 2026

### Cafeteria Supervisor

Supervisor and activity leader at the Douanes kindergarten, Le Havre (76)

Autumn 2024

### Temporary Assignment

Customer satisfaction survey for Lia public transport users

September & October 2024

### McDonald's

Multi-skilled employee at McDonald's, Lisieux (14)

School Year 2023 - 2024

### President of the Student Council

Elected president of the student association at Lycée Arcisse de Caumont: event organization and cafeteria management

Summer 2023

### Guesthouse Housekeeping

Housekeeping at La Hérissonnière guesthouse, Saint-Aubin-de-Bonneval (61)

July 2022, 2021 and 2020

### Volunteer Activity Leader

Volunteer activity leader in a leisure center in Sap-en-Auge (61)
